Big Box Retailer Estimates

Major home improvement stores offer highly standardized pricing structures:

- **The Home Depot**: Labor specifically for vinyl plank click-lock installation starts around **$2.49 per square foot**. The typical total project average (materials + labor) lands between $5 and $9 per square foot. You can view their service details on The Home Depot Vinyl Flooring Installation Page.
- **Lowe's**: Total baseline quotes range from **$2.29 to $4.29 per square foot** for LVP/LVT basic installation services. Reviewers on USA Today's Lowe's Installation Guide note that final costs depend heavily on the local subcontractors assigned.

Potential Add-On Fees

Contractors often charge flat or linear rates for intricate work outside the standard square footage math:

- **Stairs**: **$40.00 to $100.00 per step** due to tedious nose-trimming and precise cutting.
- **Furniture Moving**: **$500.00 flat fee** on average for full-room clearing and replacement.
- **Plumbing Disconnects**: **$150.00 – $250.00** to pull and reset toilets or laundry appliances in bathrooms and utility rooms. YouTube · Flooring Insig… +1
